## WELCOME MESSAGE from Chairman of IAIE(HK)

國際啟發潛能教育聯盟 (香港)主席歡迎辭

The International Alliance for Invitational Education cordially invites you to its 2012 Invitational Education World Conference - "Invitational Education : Human Potential Odyssey" and Inviting School Award Presentations to be held in Hong Kong, China, November 14-16, 2012.

The Invitational Education World Conference provides a professional platform where educators around the world meet and share their success stories in optimizing the potentials of our young people. We are honored to have William W. Purkey, Betty L. Siegel, John Novak, Peter Yarrow, Jim Mahoney, Charlotte Reed, Charles English, Lim Lan Chin, and other distinguished speakers from Hong Kong and mainland China as invited speakers for the 2012 IAIE World Conference. In addition to what will be a most inspiring and rewarding Conference, there will be visits to award-winning local and mainland schools to see how Invitational Education is implemented in different cultural contexts.

As the Pearl of the Orient, Hong Kong is a world-renowned metropolis where East meets West. This cultural integration is evident in our lifestyle as well as in our education. How the New Academic Structure (NAS) and the new Hong Kong Diploma for Secondary Education (HKDSE) fulfil their roles in optimizing student potentials and preparing them to be future leaders of this financial hub is a topic for discussion and research. Hong Kong is also a shoppers' paradise where you find everything you fancy at competitive prices.

Are you ready for all the excitement and fun that comes with intellectual stimulation, eye-opening experiences, magnificent sights and world-class culinary enjoyment? Enroll now! You are encouraged to register by June 1 2012 . Details on registration, air tickets and hotel reservations can be found online at [www.iaie.org.hk](http://www.iaie.org.hk) [www.iaiewc2012.org.hk](http://www.iaiewc2012.org.hk) & [www.invitationaleducation.net](http://www.invitationaleducation.net). For enquiry, please contact Ms Stephanie Chan Man-lan, the Executive Secretary of IAIE(HK) , at [iaie.hk@creativeprisch.edu.hk](mailto:iaie.hk@creativeprisch.edu.hk) . Mark your diary now!

For information on applying for the Inviting School Award, please contact Awards Chair Ed. Gwazdauskas at [iegwaz@gmail.com](mailto:iegwaz@gmail.com).

Stephen CHU Wai-ming  
Chairman of IAIE(HK)

謹代表籌備委員會歡迎閣下參加 2012 年 11月14日至 16日在香港舉辦的「2012 國際啟發潛能教育聯盟世界會議暨啟發潛能學校大獎頒獎禮」。國際啟發潛能教育世界會議提供一個專業的平台，讓世界各地的教育工作者，分享他們有效發揮年輕人潛力的成功故事。

我們很榮幸邀請到 William Watson Purkey, Betty L. Siegel, John Novak, Peter Yarrow, Jim Mahoney, Charlotte Reed, Charles English, Lim Lan Chin 和其他來自香港和中國的傑出學者，是次世界會議，除了會是最具啟發性和有得著之外，大家還會探訪香港和中國內地獲獎學校，考察他們如何在不同的文化背景下，實施啟發潛能教育。

香港享有東方之珠美譽，是中西文化交匯的國際大都會。在我們的生活方式，以及我們的教育中，這種文化的融合是顯而易見的。如何新的學制 (NAS) 和新的香港中學教育文憑(中學文憑)履行自己的角色，為有效發揮年輕人的潛力和為他們成為這個金融中心的未來領袖做好準備，這的確是一個值得討論和研究的課題。此外，香港也是購物者的天堂，在有比較和競爭的價格下，你定會找到你喜歡的東西！

你是否已為來自不同領域的智慧、大開眼界的經驗、動人的景點和世界級的美食而帶來的刺激和樂趣做好準備呢？立即登記吧！我們鼓勵你在2012年6月1日前登記。詳細的登記手續、機票和酒店預訂可查閱：

## Optimism: Hong Kong or Bust in 2012

*Allyson*

Hong Kong, China. November 14, 2012. The IAIE World Conference opens for another year. Imagine, YOU are actually there. In fact, you already have taken a pre-conference trip to mainland

China. You've seen the

latest schools to join the IAIE network, schools where students speak Mandarin Chinese, the language spoken by 13% of the world's 7 billion people. (Only 5% of the world's people speak English). These schools, their teachers and their students make an indelible impression you will remember the rest of your life.

As the conference opens in Hong Kong, you are swept into a world of difference where East meets West. Many business signs appear in both Cantonese and English. When you need help, it's easy to find an English speaker. And you are staying at the YMCA. The name sounded suspect, but it's a terrific hotel next to Victoria Harbor (Google it!) Yours is one of over 350 rooms housing World Conference guests and many other internationals in Hong Kong for work and pleasure. The YMCA's dining room, cafe, gift shop, lobby and currency exchange agents identify this as a fine hotel. In the evening, you step outside to see the world's most spectacular sound and light show playing amidst the tall buildings surrounding Victoria Harbor. (Google it!)

Feeling hungry mid-afternoon? Hong Kong has the widest range of cuisines in the world, including Thai, European, Indian, Mexican and of course, the immensely popular golden arches of McDonalds. On your first day, you stopped for a Big Mac, Coke and apple pie at 'Mak dong lou,' as it is pronounced in Cantonese. Now you feel more adventurous. You're ready to try the local fare at a tea house or a noodle shop. But you don't eat too much when you are snacking, because dinner will be memorable: Peking duck, roast pork, stuffed chicken baked in clay, fresh seafood, steamed dumplings (dim sum), century egg, Buddha's vegetarian delight, wife's cake or moon cake. It's a good thing you brought your appetite with you to Hong Kong.

The school visits in Hong Kong are different from those on the mainland, but equally amazing. You see how Invitational Theory and Practices keep improving these Hong Kong schools. Teachers, principals, students, buildings and grounds are full of surprises. The emphasis on 'green' projects in the middle of the city is unexpected. The students demonstrate care and respect for their school and peers by cleaning their own classrooms and serving lunch to each other.

There's still so much to see before returning home. A tram ride to The Peak gives a spectacular view as it rises 1200 feet above the city (Google it!) For another breathtaking view, The Giant Buddha statue seated on Lantau Island looks out over a panorama of mountain scenery (Google it, too!) And there must be time to bargain for souvenirs at the Ladies Market or Temple Street. So much to do. So much to learn. So much to experience.

Traveling to China for professional development seemed to some back home like you had champagne taste and a beer budget. But even when money was tight, you found creative ways to finance your trip. Selling doughnuts every morning paid off well and so did that school wide yard sale. Were the wait and the work worthwhile? Absolutely. Coming to the IAIE World Conference in Hong Kong was the opportunity of a lifetime and you made it happen.

Can you dream it? Don't just Google it. Get your passport ready and GO.
