dare²DREAM CAMP is...

...a place of non-stop work and play, learning and growing, classes and outdoor challenges.

- ★ It is renewed confidence emerging from a sense of team.
- ★ It is intense days of discovery and motivation from wake-up to lights-out.
- ★ It is a programme taught by experts, offering skills that last a lifetime.

Imagine experiencing success every step of the way. That's **dare2DREAM Camp**.

AGES 11-18

Secondary school is a whole new experience - there's more classes, more homework, and more responsibilities. Secondary school can also mean more excitement, challenges, and new friends. dare2DREAM Camp gives students the skills they need to tackle new situations with confidence. Students will discover the skills that make school easier, form strong friendships with students from other school and enjoy fun filled, action-packed 4 days together. We promise you'll never be bored.

NEW APPROACH

At **dare2DREAM Camp**, we believe all students are capable of learning, and people learn in different ways. That's why we developed the learning method that combines a range of effective learning theories into a skillfully orchestrated, unified whole. Our programme incorporates a wide range of learning styles, powerful presentation methods, and an optimal learning environment. It's high-energy classroom, interactive learning activities that stretch your mind - making learning a fun, natural process - the way it should be.

OUTLINE

DAY1 Welcome. Students arrive, check-in, meet their roommates and get settled. The day will begin their journey of learning and discovery. The day will round up with an **Art Workshop & Celebration**.

DAY2 Today, students explore the **Life Skills** which will challenge students how to make the most of each moment in their lives. We will continue our afternoon with activities to prepare for **Academic/Learning-to-Learn**. The evening closes with a **Music Workshop & Celebration**.

DAY3 In the morning, students will have an **Outdoor Adventure** is a metaphor of life. It's a powerful mental exercise in breaking through barriers that block their success. We continue our focus on **Academic/Learning-to-Learn** after lunch. The day concludes with a **Dance, Art, Music & Celebration**.

DAY4 Today open with a focus on **Team Time**, relationships with others, and knowing oneself better. Follow with a **Graduation**. For the past 3 days, students have been on an incredible journey. Now is the time to celebrate their learning and discovery. It is also a day of parting from teammates and other people with whom they've connected, and rejoining family and friends with a world of experiences to share.

LEARNING 4 TEACHERS

is a dynamic, engaging professional development programme proven to increase student achievement. It trains educators in the 'how-to' of facilitating the learning process, covering both theory and implementation.
