

Dear IAIE Member and IE Project School,

I am pleased to inform you that an experience sharing on application of the “Inviting School Award” will be organized in October. The sharing will focus on the experience of using IE to develop the school and how to prepare for the application such as ways to consolidate the information, doing the ISS Survey on-line, prepare for the school review etc.. The session will be hosted by previous school personnel who had gone through this journey recently and found it very fruitful. It will be especially relevant to schools that are prepared to apply for these Awards in 2012.
