

Partnership in Action: Invitational Education 2007 DVD

HKD 80 (USD 10) plus postage

“Partnership” - the sixth P of IE is a key element to successful education. The partnership includes an exchange program which enables students, parents, teachers in local and worldwide communities to learn from each others and develop their potentials more fully. In this DVD you can see Hong Kong and US exchange students attending school classes and activities together. It also captures many touching moments of students, teachers and parents in the exchange program. All the achievements and sweet memories have proved the value of Partnership.
