

*International Alliance
for
Invitational Education*

31st Annual World Conference

*“Sustaining Invitational Education
in a Time of Change”*

October 2 – 5, 2013 ★ Orlando, Florida

Inviting educators believe that people, places, policies, programs and processes working together have the power to create an optimal environment: one that invites people to develop a positive self-concept, choose beneficial behaviors, and realize their fullest potential. Join educators and experts from helping professions around the world, as we share strategies that promote a positive learning and work environment. Learn how Invitational Education provides a framework for safe and successful schools by establishing an intentional climate of respect, trust, optimism and care. In these times of high stakes testing and increased mandates, a relationship-centered school is essential for everyone's success.

******* Conference Highlights *******
