#### INTRODUCTION

**Let's the stars shine.....**

LKK is a big family. We have introduced IE to our school since 2003. We share the laughter and tears with our kids throughout their school lives.

We believe every kid is a star. They just wait for someone to polish and will shine.

**Students here are *OPTIMISTIC,***

***CONFIDENT, and EAGER TO LEARN.***

***This is done by fostering a culture of***

***TRUST, RESPECT, and MUTUAL CARING  
AND SUPPORT.***

## 2. The theme of the sharing

IE at LKK : We would like to share our implementation of IE since 2003.

**SCHOOL ACHIEVEMENTS**

We are proud to achieve The Hong Kong Excellent Caring and Loving Campus Award for 6 consecutive years since 2008. An award jointed Presented by Hong Kong Christian Service and Hong Kong Education Bureau Department. It is an annual celebration participated by hundreds of primary schools in Hong Kong in the area of promoting caring attitude and outstanding caring school atmosphere.

**COMMENTS FROM PARENTS**

Caring, a sense of belonging and interactive teaching methods. They all made student engagement possible.

Every morning, teachers are standing in front of the school gate with a big warm smile. Parents are very appreciative of their passionate attitude.

After 6 years of primary school education, my son has changed from being an introvert to a cheerful and helpful child who carries a big smile everyday he came home. As parents, we understand the amounts of time and effort the teachers must have committed to the children. We couldn't thank the teachers enough.

I would like to thank the teachers for their dutiful work. The school has been able to cater to individual needs according to different backgrounds and circumstances.

"Mom, you didn't pick the wrong school. The teachers here are very kind." Hearing those words from my child has really impressed me. LKK, you are wonderful!
