

Requirements to Apply for the Fidelity Award

Application to Apply for the Award:

Attached is the application to apply for the award. The application is done in PDF format. You can fill in the award by opening the document and going to tools and typewriter. You can then send the document by going to file and attach to an email. This form gives me the information that I will need in order to get the right number of awards for each level.

Helix:

Compare your growth using the 12 step Helix. A copy of the steps is included as an attachment in this email.

Brief Summary:

Give a brief summary of how IAIE has influenced or changed your school since receiving the Invitational Award.

Growth:

Once you receive your Fidelity Award what are your plans for the future as far as Invitational Education?

ISSR Survey:

Take the ISSR Survey. Distribute it to the parents, students, community leaders, staff and administrators. Send a copy of the results to me via email or snail mail. At this time I am not sure where the ISSR Survey is going to be retrieved. There is a possibility that it will be place online for you to fill out. I will let you know when this information becomes available to me.

Portfolio:

There is no requirement to present a portfolio for the Fidelity Award. However, if you wish to send pictures or other items to support your involvement in IAIE then please submit it on a CD instead of in notebook. By using a CD it is easy for me to travel with since there is now a charge for taking a piece of luggage on an airplane.

If you have any further questions please contact me and I will answer your email as soon as possible.
