

## **IE School Visit: Tai Po Old Market Public School (Plover Cove)**

### **1. A brief introduction of TPOMPSPC**

TPOMPSPC has pursued the beliefs and practices of Invitational Education (IE) since 2004 as IE fits in very well with the school aims and direction. Since 2004, many of the school's good practices in IE have been recognized by IAIE in the US and the school was being awarded the Gold Starfish Fidelity Award (highest IE Award) in 2015 to recognize the school's achievements and commitment to Invitational principles.

Throughout the past years, there have been numerous changes with new additions of good practices to the school in terms of the 5Ps: people, policy, program, place and process. On the school visit day, the core team will share with you what they have been doing at the school at the student level, the teacher level and at the parent level.
